

KIRIN GROUP GUIDELINES FOR PREVENTION OF BRIBERY

1. Kirin Group strives to be fully aware of and to strictly observe all applicable anti-bribery laws and to fully comply with such laws in every country and region where we do business.
2. Kirin Group prohibits any form of bribery, including improperly providing or receiving money, goods, entertainment or any other benefits in excess of the scope expressly permitted under applicable laws of the countries and regions where we do business.
3. Kirin Group will refuse further dealings with any business partner, agent or associated person if such person engages in bribery in connection with our business.
4. Kirin Group requires that all officers and employees report any violation of these Guidelines, the Rule, the Anti-Bribery Regulations, the internal anti-bribery policies of each Kirin Group company and any applicable anti-bribery laws known to them.
